Warranty Period and Limited Warranty

Every pump is tested before shipment and when properly used and maintained will provide years of satisfaction. In the unlikely event that our material or workmanship should prove defective within the warranty period (This pump is guaranteed against any mechanical or material defects for a period of 12 months from the date of purchase) return the pump along with proof of purchase to the local distributor for inspection and replacement if needed. This Limited Warranty is extended only to the original purchase and is void if any of the following apply:

- (1) The pump has been disassembled.
- (2) Alterations have been made to the cord or plug.
- (3) The pump has been run dry.
- (4) Flammable liquids, solvents, chemicals or abrasive solutions were pumped.
- (5) Obvious abuse or misuse of the pump took place.
